HOLIDAY PARK

Bowling Centre Corona Virus (COVID !9) Update

Bowling Centre

The bowling centre will open from Saturday 1st August.

Due to current guidelines and after assessing our facility, we are making only two lanes operational at this time. This is to allow for maximum space between groups when bowling. Groups are limited to family units or bubbles of 5 per lane, this can be split between the 2 lanes if it exceeds 5 (for example a 6 could be 3 on each lane)

The bowling centre will open everyday from 5pm, with the last booking at 9pm.

We request when possible bookings are made and paid for in advance. Names of all those bowling will be taken upon booking. This is to speed up the check in process once in the bowling centre. We have been advised that customers can use their own footwear when bowling. We ask that customers wear flat, closed toe, clean shoes. If this is not possible bowling shoes can be given out but socks must be worn.

We ask customers to arrive on time for their booking. Should you arrive early you will be shown to a table to wait for the lanes to be ready. The bowl and bar have a one way system in place, with the toilets feeding into this. We ask all customers to adhere to this route when using any of the facilities. Any food and drink orders will be table service.

Once on the lane there is hand sanitiser available. One of each weight ball is permitted and these cannot be swapped or changed with the other lane. Drinks orders can be taken and delivered to your lane and added to a tab that we request is paid on exit. Although there are several changes that have to be made for everyones comfort and safety we still feel we can provide you with a fun bowling experience. Should you wish to book please come into reception or call 01637 860381. Bookings can also be taken at the bar.
